Signature Presentations

"My vision is that all women, and men, can cultivate their confidence and prosperity through color!"

Signature Presentations

- **Transform Yourself With Color** Engaging presentation that illustrates how you can be the shining star. Learn our foolproof and simple tips and techniques so you can appear younger, slimmer and healthier.
- **Your 17 Seconds Are UP!** COLOR is the very first 'image' that we project, whether it is our personal image or our business image. Yet, the colors you wear have a psychological impact on your observers. What are they 'saying' as your first impression?
- **What Color is Your Business?** Did you know that the colors in your products and presentation actually have a language? Marketing your brand through color awareness can make or break the sale!

Personal Consultations

- ◆ Personal Color Analysis
- ◆ Signature Style Wardrobe
- ◆ Bridal Consultations
- ◆ Business Consultations – Messaging, Branding, Video Techniques
- ◆ Color Consultant Training & Certification

Charli's color and esthetic training started in Chicago, Illinois. Since 1983 she has been privileged to provide color consulting services, instruction and patented color products in over 40 countries.

Charli's extensive experience is based on the scientific study of color. She is a strong believer in the effect and result color plays, she has empowered countless individuals with her exceptionally unique approach to the world of color. She teaches and inspires individuals with techniques that enhance their appearance through the power of color.

Charli specializes in personal enhancement, bridal embellishment, professional color analysis, and color for home and office décor.

"I was so happy to hear you speak at our monthly meeting. I always learn something new. I really enjoy offering color-consulting to my customers, they love it! You are right, it is easy to do and fast. Thank you again for sharing the Images color concept, my business is growing now."
Sincerely, A. L.
Woodhull, Iowa.
